

They sound cool. May even sound like fun. But they can land you in the ER - or worse.

They are synthetic drugs. Know their street names and protect yourself.

SPICE

(HERBAL MIXTURES THAT MIMIC MARIJUANA)

STREET NAMES: K2, Geeked Up, Scooby Snax, Green Giant, Trippy, Yucatan Fire, Skunk, Moon Rocks, Kick, Smacked, Black Mamba, Bliss, Bombay Blue, Fake Weed, Fire, Genie

Before you do something you'll regret, ask yourself:

Is doing drugs worth risking my health? Going to jail? Ruining my education? Messing up my life?

DID YOU KNOW: Nearly 8 out of 10 CofC students don't want drugs available at parties. So, don't be pressured into thinking and behaving differently.
