

They sound cool. May even sound like fun. But they can land you in the ER - or worse.

They are synthetic drugs. Know their street names and protect yourself.

GHB

(IT IS A DATE RAPE DRUG)

STREET NAMES: Georgia Home Boy, G, Goop, Liquid X, Soap, Scoop

Before you do something you'll regret, ask yourself:

Is doing drugs worth risking my health? Going to jail? Ruining my education? Messing up my life?

DID YOU KNOW: Nearly 8 out of 10 CofC students don't want drugs available at parties. So, don't be pressured into thinking and behaving differently.
